

Prayer Diary

Sunday 7 to Saturday 13 July

Sunday

Pray continue to pray for John and Sarah Sutton in Tonypany, who are still in temporary accommodation following their serious house fire. They are in an Airbnb property until the end of the month and need to find a place for August onwards; pray that the repairs to their home will be completed as quickly as possible.

Monday

Our PCC meets this evening; please pray that God will clearly guide its members in their discussions around the various agenda items, including receiving reports from Rachel reviewing the past year in her recent Worship Pastor role and current Students & Young Adults leadership role.

Tuesday

Holy Trinity Stapleton have the most amazing Architect's plans adorning the church walls, in steps towards developing welcome areas and rooms for their young people to gather within the building. They ask us to pray that these plans would now move swiftly forward.

Wednesday

Give thanks for all those involved in welcoming and hospitality at our various services; and please pray for tonight's training session for the team, offering a chance to worship and pray together, as well as an opportunity to be equipped and envisioned afresh for this vital ministry within the life of the church.

Thursday

Our Beehive Baby & Toddler group meets on Thursdays, offering an opportunity for Parents and carers of young children to come and socialise and meet others, and for the children to enjoy toys, games, craft, Bible stories and singing. Please pray for this morning's summer party.

Friday

Please continue to pray for the many people whose lives have been torn apart by the conflict in Israel & Gaza: especially the families of those who have died, those who are grieving, the injured and those now without food, shelter or medical supplies. Ask God to strengthen and support the work of the various relief organisations.

Saturday

Please pray for good conversations and fellowship at this morning's monthly Saturday breakfast with guest speaker Rosie Brydon from Christians Against Poverty, giving thanks for the great work that they do advising those with financial struggles. Pray too for this morning's Repair Café session.
